

Beat the Election deadline!!

Does your business employ between 5 and 249 people (including volunteers)?

Are you looking for

- Something **FOR FREE?? (AND IF NOT, WHY NOT??)**
- Government funded help from a *local* company to grow your business?

The Leadership and Management Advisory Service (LMAS) has grants available of up to £1000 to help your business to develop. The first £500 is completely **FREE**. The other £500 is available as a £ for £ match if you are prepared to invest the same amount, ie for £500 you will get access to £1500 worth of training!

£500 will pay for:

- Five sessions of Business Coaching with a CIPD qualified Coach **OR**
- A Training Workshop for your people **OR**
- A facilitated meeting to encourage your team's ideas for the business

£1500 will pay for all of this!You pay just £500 and the Government pays £1000!!!

Or just take the £500 for free training for your business!!!!

How does it work?

1. Contact Red Door Coaching and Training for some **complementary** suggestions of how we can support your business **with the free training** and some examples of how local companies have already benefited.
2. **We contact** the Train to Gain Advisor **who then** visits you **briefly** and completes all the paperwork on your behalf.
3. **We deliver your workshop/event/business coaching – on your premises or elsewhere at a time to suit you.**
4. You claim our fee back from LMAS – **we show you how.** (Average for one day costs £500 plus vat)

Some Wotton Chamber of Trade Members have already benefited from this funding:

"The impact of the training was quickly evident in increased product sales and repeat bookings."

Penny Ling, Salon Owner
The Edge Health and Beauty

"An enlightening, interesting and thoroughly productive day that made us re-focus on some important issues. We now have a clear Action Plan to take the business forward."

Martin Allison, Managing Director
