

EMERGENCY MEETING

wotton-under-edge
chamber of trade
www.wotton.biz

Monday 15th March 6pm The Swan Hotel

The Wotton-under-Edge Chamber of Trade is to hold an emergency meeting of the town's traders to discuss the issues surrounding the installation of the traffic calming facility in the town centre.

Under discussion will be the next course of action following the poor planning and even worse communications from Gloucestershire County Council's Highways Department and the subsequent loss of business to the town.

It is hoped that Wotton's elected representative on the County Council Dr John Cordwell, our Mayor Paul Smith and local media will also be there.

Non-members welcome
